Welcome to Lighthouse Studios

In this guide you will find information about our studios, **the services we offer & our general pricing.**

Step 1:

Confirm your Project Setup & Inclusions based on the information below. If you are unsure or need more information, please don't hesitate to chat with us to discuss your needs.

Step 2:

Choose Your Preferred Studio from Studio 1, 2 or 3. You may **view the gallery here.** Once you have chosen your preferred studio & setup, copy the link from the samples or take a photo or screenshot to send us, as well as provide us any extra information to prepare your studio. If you are unsure of your set design & want to talk to us, we'd be happy to help you decide your ideal studio & set.

Step 3:

Choose how many hours &/or days you need & your preferred package. If you are unsure how long you will need, please send us the details of your project & we will help unpack it. Let us know how many videos & how long they might be on average.

If you need a custom timing or package, we'll gladly set that up for you, just let us know what you need.

Step 4:

Contact us with the information chosen from steps 1-3 & any further questions you may have. In this communication, let us know your preferred date/s for booking & we'll send you suitable options.

**** All booking confirmations will be facilitated via Whatsapp.**
